WORK EXPERIENCE

Financial Reporting Analyst

Since 2022 (**3 years+**)

Fintrak software limited lagos

- Collaborated with cross-functional teams to ensure accurate and timely financial reporting.
- Collaborated with colleagues to automate the existing reports using advanced T-SQL and reporting tools, resulting in improved accuracy and efficiency in financial reporting.
- Budgeted and analyzed the financial data of the organization, including budgeted and income statement forecasts, aligning with company goals and financial status. Also, I developed insights using financial models, risk factors, and informed decision-making. Assisted with financial reporting processes, resulting in more accurate and timely financial reporting.
- Researched and analyzed financial trends and developed strategic planning.

Data Visualization Analyst

From 2021 to 2022 (**1 year**)

Data Visualization Analyst Lagos, LA, Nigeria

- Created visually compelling and actionable reports with SSRS and Power BI, leading to better decision-making by stakeholders by providing clear and data-driven insights.
- Analyzed and summarized complex financial data to inform management decisions and evaluate business performance. Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.
- Constructed a logical business intelligence model, carried out real-time reporting requirements by analyzing financial transactions and trends.
